

Sonya® Hydrate Conditioner

Sonya® Hydrate Conditioner moisturizes, detangles and softens dry, brittle hair, increasing manageability and leaving hair with a luminous shine. It is the perfect companion to Sonya Hydrate Shampoo.

Sonya Hydrate Conditioner's exclusive formula contains Aloe Vera and Royal Jelly, helping dry, brittle hair retain the moisture it badly desires. This, in effect, helps to nourish the scalp and control frizz, and leaves your hair soft, shiny and super easy to manage and style. Plus, you will love its soft, pleasant scent.

Other nourishing ingredients in Sonya® Hydrate Conditioning Rinse include:

- *Hydrolyzed Wheat Protein* – attracts and retains moisture, builds body, improves manageability and luster, and smoothes hair weakened by chemical treatments
- *Macadamia Integrifolia Seed Oil* – adds shine
- *Simmondsia Chinensis (Jojoba) Seed Oil* – helps make hair more resistant to tangles, dryness and split ends
